# FROM THE PRESIDENT'S CHAIR

Well, here we are at the start of our 3<sup>rd</sup> year as All Classics Qld. We have come a long way from the first meeting of half a dozen at Craig's place. The AGM was held and well attended by members. The minutes are included in this newsletter. I am pleased to have been re-elected as your President, and I thank you for having confidence in me to serve in this role for another year. Peggy Austin was re-elected as Secretary and Ross Austin as Treasurer. Craig Carroll is our new dating officer and has also undertaken to be our representative at the Qld Historical Motoring Council (QHMC) meetings. Garry Edmonds did a great job in the role of run co-ordinator and has been re-elected to that position along with Tony Sullivan also run co-ordinator. I think we can expect to be doing some very interesting and fun runs throughout the next year with Garry and Tony leading us.

Membership renewals were due 31<sup>st</sup> July so if you haven't already renewed a \$10 joining fee will apply after this date. If you have a vehicle on concessional rego it is a requirement that you are a registered club member and in order to keep our records up to date I have also emailed a vehicle details form to everybody. Could you please complete it and get it back to me as soon as you can. Thank you.

I want to say a big welcome to our newest members, Richard Cunningham and Desiree Hayes. Richard has a one owner modified 1971 HQ Statesman. Desiree has a 1970 Mustang, and her other half Tom has a 1982 Camaro. Richard, Tom and Desiree are all good friends who have often joined us on club outings, and are already known to most club members.

On behalf of all members I wish to send our heartfelt condolences to Peter and Sue Blackley on the passing of Peter's dad. Our thoughts are with you and your family at this sad time.

Rob Taylor and his wife Linda are also in our thoughts and prayers. Linda has not been well and was admitted to hospital again and her bone marrow transplant has been postponed. We hope she will soon be well enough to continue her treatment and come home to her family.

It is good to see Ollie up and about again after his leg operation. It's been a hard road and he still has a little way to go with him still undergoing physio.

It is approaching that time of the year again when we have to start looking at organising the Christmas raffle. We rely on donations of gifts and Christmas goodies from members for our raffle, so if you have anything you would like to donate please give it to Peggy Austin or me.

We are always looking for items for the newsletter and members are encouraged to send in any articles of interest and pictures of their cars and should email them to me. Your cars would look good on the front cover, so get the camera out, write a brief description and get it to me. Please be aware that any articles for the next edition need to be submitted by the 20<sup>th</sup> of September. If we already have enough content they will be put in a later edition. Also, a reminder that we are always looking for different places to go, so if you have any suggestions for our monthly runs or Saturday night dinner runs please let us know.

Meeting opened at 11:25am

## **Present:**

Anne-Marie Alberts, Peggy Austin, Ross Austin, Leon Bray, Craig Carroll, Richard Cunningham, Garry Edmonds, Angela Edmonds, Adrienne Hocking, Garey Hocking, Sharon Phebey, Kerrin Straney, Mark Straney, Tony Sullivan, Karen Woolston

## **Apologies:**

Anthony Burrows, Gary Chudasko, Valerie Chudasko, Owen Meikle, Vicki Young, Oliver Moore

## **Discussion and Reports**

Anne Marie thanked members for attending and the Committee members for their support

### **Newsletter**

Anne-Marie asked for feedback on the newsletter. Members are happy with the electronic distribution or print version they are receiving

Garey Hocking suggested that we include a HomeGirl section in the newsletter.

### **Sunday and Saturday Runs**

Garry (Scary Dude) Edmonds provided an outline of the last year's events.

The members thought it would be good idea for the plan for Saturday night runs to be published in the newsletter

Members are to provide suggested locations for Saturday night runs and events, including meal costs, to Anne-Marie. Focus is on \$10 meals for Saturday night runs.

Some suggestions included

- lunch run to the Outback Steakhouse at Zillmere
- Ribbits at Annerley
- Ricks Diner at Palmwoods
- Diamond restaurant
- Hellensvale - fish and chips and other food
- Underwood Park – fish and chips
- BBQ's at members house or at a park
- IGA Brown's Plains for breakfast

A Club Meeting, combined with a run, should be scheduled for 3 times a year, every four months

A run to the Thunderbird Café is to be scheduled as an annual memorial run for Gary.

Garey H to look at itinerary and cost of a possible tour to US in 2014

## Christmas Party

Suggestions were sought for this year's Christmas Party. Last year's party at lunchtime was too hot. Cost to provide food for party was \$348.00 for last year.

Preference was for somewhere nice for dinner in the evening, in late November or early December. The cost could be offset by raffle ticket sales so club funds are not adversely impacted.

Funds from raffle ticket sales are also used for a donation to charity. The donation should be given to a family in need or women's shelter in preference to a large organisation.

## Gary Ledgerwood Perpetual Trophy for Outstanding Member

The Gary Ledgerwood Perpetual Trophy is to be awarded at the Christmas Party each year to the outstanding club member. Gary Junior provided a model of Gary's T-Bird to be used on the trophy. Anne-Marie will co-ordinate the design and build of the trophy.

## Membership

Membership fees are due by 31 July, 2013. Currently we have 31 members

## Treasurer's Report

Ross provided details of the Club's finances and expenditure.

## Tony's Barn Find

### 1960 Chev Biscayne 6 Cylinder 3 Speed Manual

Tony's mate Warren was working out the back of Dalby about 5 years ago when he came across a Red Chev sitting in a barn, 5 years later Tony and Warren went out to Dalby to see if the car was still there, and amazingly it was. Tony approached the people at the house and asked if the car was for sale, and the man said, it was his mates car. The car had been stored in his barn for 10 yrs. The man gave Tony the phone number of the owner. Tony rang him and did a deal, one week later the car was trailered back to Tony's place and he has been working on it since.

Tony's Chev when it was picked up from Dalby, inch thick of dirt and cob webs. The Car had been washed before it was put on trailer.

Work in progress. The car has now been sand blasted and Tony's friend Steve has made new sills and lower back guards. Warren and Tony are doing all the body work now.

## **WHERE CAN I SHOP NOW?**

When I was ready to check out and pay for my groceries the cashier said, "Strip down, facing me." Making a mental note to complain to my local MP about this running amok security rubbish, I did just as she had instructed. After the shrieking and hysterical remarks finally subsided, I found out that she was referring to how I should position my credit card. Nonetheless, I've been asked to shop elsewhere in the future. They need to make their instructions a little clearer for seniors.

## MY ROADTRIP TO CANBERRA by Anne-Marie

We headed off on Monday morning hoping to leave the rain behind us. My sister, Mary-Rose and her husband, Peter, had convinced me to do a road trip to Canberra with them. We were travelling in their limited edition 5<sup>th</sup> Anniversary GT Falcon, very luxurious and comfy with all the bells and whistles.

The first overnighter was in a little place that I can't remember the name of, and we spent the 2<sup>nd</sup> night in Orange, it was very cold. We left Orange and cruised into Bathurst, and headed straight to Mount Panorama. We called in at the museum and spent hours there, so much V8 history, it was amazing to see.

After the museum we each did a lap around the mountain, we couldn't go very fast though, it was raining and very foggy. I am in total awe of the V8 drivers and their ability to hang onto their cars around that course, it is deadly. Feeling very exuberant after our laps we then headed on towards Canberra.

The War Memorial was spectacular

Looking out from the War Memorial towards Parliament House

It was my first visit to Canberra and I was struck by what a beautiful city it is, and standing on the roof of Parliament House gazing up at the flag flying high above me I couldn't help but feel proud to be an Aussie. oi oi oi

The Telstra Tower on Black Mountain in Canberra.

The Sea Cliff Bridge

We did a walk around the outside of the Telstra Tower right up the top of the lookout before having morning tea in the café overlooking Canberra. It was freezing and the wind blue right through our gloves, scarves and jumpers. Brrrrr. We stayed in Canberra for 2 nights and then headed off to Wollongong to drive along the Sea Cliff Bridge. The Sea Cliff Bridge runs out over the ocean and was built to replace the road that ran along the cliff face and which was very prone to rockslides.

## **TOWNSVILLE V8s**

As usual I did the pilgrimage to Townsville for the V8s. Although we did it in comfort this time, my brother Nick was given 4 corporate box tickets by Shell for the 3 days. Shell sponsors DJR so we saw Dicky Johnson and his team every day for morning tea and we were also treated to a polo shirt from the DJR merchandising. It was a fantastic weekend and I really hope he gets the same deal next year because it is going to be very hard going back to grandstand seats after being so spoilt.
