Presidents Letter

Hi Everyone,

Here we go again the start of a new year (I don't know about you but they seem to be getting quicker) I hope you all had a great Christmas and new year.

Our Christmas lights run was dry for a change and we saw some great displays, Emma thoroughly enjoyed herself and fell asleep as soon as her head hit the pillow, she has already asked to come to the next one.

We had a good turnout for the Ormiston car show although it was a bit warm.

Thankyou to everyone who was involed in our Christmas Raffle we have decided that we will be donating to Buy A Bale.

I would also like to thank Tracey and Diane for organizing our Christmas party at Green Frog Hollow and also Scott for taking on the role of Santa, I know I had a great time and hope you all did too.

And finally I would like to thank Leon for his help in getting the club Constitution over the line after 2 long years but we now have one.

That's all from me lets get those classics out and about.

Cheers Steve

Cruise Locations

Ormiston Car Show Australia Day

**WHY THOUSANDS OF AMERICANS ARE BECOMING TWO-WHEEL TRAVELERS:
THE THRIFTY, NIFTY HONDA "50"**

Just as the compacts changed our thinking on cars, so the light and lively new HONDA "50" is showing America how much fun it is to go places on two wheels. The "50" is the new look in safe, easy and economical transportation... to work, school, market and outdoor fun. It's converting thousands of men, women and youngsters every month to two-wheel travel. *This year, more than one million people will buy HONDA "50"s.*

Small wonder, when you consider the cost: from \$245 p.o.e., full price. And the economy: 225 miles per gallon. And the ease of operation: easier and safer to ride than a bike, with an automatic clutch and 3-speed transmission that shifts with a simple touch of the foot. Only \$30 for optional push-button electric starter. Cruises all day at a whisper-quiet 40 m.p.h. Precision-built 50 cc 4-stroke OHV engine. Practically maintenance-free. 4 models, including the amazing HONDA TRAIL "50" that takes you hunting, fishing and camping in rugged terrain where not even a pack animal can travel!

If you want to beat the traffic and parking problem... if you want high adventure at a low, low cost... see the HONDA "50" at your sporting goods, bicycle or motorcycle dealer. For nearest dealer call Western Union by number and ask for OPERATOR 25. Or use coupon for full facts.

\$245
FROM P.O.E.
225 MILES PER GALLON

HONDA *World's Largest Motorcycle Manufacturer*

AMERICAN HONDA MOTOR CO., INC. - 4077 West Pico Boulevard, Los Angeles 19, California

Dealer franchises still available. Write for information.
