FROM THE PRESIDENT'S CHAIR

Ticket sales in our Easter raffle were very good and we raised \$831.00. Thank you to those who took books to sell and who gave their time selling tickets on the Friday and Saturday nights.

We have purchased another marquee, it is a 3 x 3 metre which is easier to erect and often more suitable than the bigger 6 x 3 metre when we have a small group.

Our AGM is on Sunday the 13th July and will be held at my house. Lunch will be provided by the club, and I hope you can all make it. Our AGM is not only to elect the committee you want but also an opportunity for all members to get together and have a say about how they would like the club to run and to put forward any suggestions for improvements, so make the effort and come along.

I would like to take this opportunity to express my thanks to our great committee for their excellent work over the past 12 months. Ross and Peggy Austin, our treasurer and secretary, Craig Carroll, our dating officer, Garry Edmonds and Tony Sullivan, our run co-ordinators and Leon Bray, our computer whiz who takes our minutes and comes to my rescue when computer issues need sorting. Thank you all for making time for meetings and club matters.

Ross and Peggy and Garey and Adrienne Hocking are heading off to America on the 1st of June for 4 weeks, we hope they have a fabulous time and wish them safe travels.

Enclosed with this newsletter is a membership renewal form. All membership renewals are due 30th June and are payable by 31st July. Our memberships currently stand at 36 members.

Thanks to everybody who have contributed items to the newsletter. Unfortunately these are few and far between, which makes it very hard to put an interesting newsletter together. I am always looking for items for the newsletter and members are encouraged to send in any articles of interest and pictures of their cars and should email them to me. This issue we have Rob Taylor's beautiful XC Falcon on the front cover, your cars would also look good on the front cover, so get the camera out, write a brief description and get it to me. Please be aware that any articles for the next edition need to be submitted by the 18th of July and if we already have enough content they will be put in a later edition. Also, if you know of any interesting and fun places we should include in our monthly runs please let our run co-ordinators know.

The All Ford day is happening again on the 20th July at Willowbank. We will be attending as a club and have reserved some spaces, check the details in the events calendar if you are interested.

We have some great runs coming up, and remember we have a free raffle draw with great prizes to win on our monthly run, as well as an occasional random members' reward night where a club run is chosen at random, and members are given a bonus towards their meal costs. Reward nights are not advertised as such and are potluck, so come along to the Saturday dinner runs and get rewarded. I am pleased to say that our club runs have been fairly well attended and everybody seems to be having a good time, so if you haven't been out for a while make the effort and get those beautiful cars out and let's go cruisin'.

Anne-Marie

Meeting opened at 19:10

Present: Anne-Marie, Ross, Peggy, Angela, Leon, Tony, Craig

Apologies Garry

Correspondence

- Nil

Sunday runs for June and July & 3rd Saturday night runs

General discussion

- Possible run to Petrie Town
- Run to museum at Kalbar. Minimum 15 people required for catering
- Ideas for Christmas raffle – some bigger prizes

Meeting Closed at 20:30

Why Parents Drink

The boss wondered why one of his most valued employees was absent but had not phoned in sick. So he dialled the employee's home and was greeted with a child's whisper. "Hello ?" 'Is your daddy home?' he asked

A small voice whispered, ' Yes, he's out in the garden'

'May I talk with him?'

The child whispered, ' No ..' ;

So the boss asked, 'Well, is your Mummy there?'

'Yes she's out in the garden too'

'The boss asked; 'May I talk with her?'

Again the 'No' ..

'Hoping there was somebody with whom he could leave a message, the boss asked, 'Is anybody else there?'

' Yes,' whispered the child, ' a policeman. '

Wondering what a cop would be doing at his employee's home, the boss asked, 'May I speak with the policeman?'

' No, He's busy , ' whispered the child. 'Busy doing what?'

' Talking to Daddy and Mummy and the police dog men. '

Growing more worried as he heard a loud noise in the background, the boss asked, 'What is that noise?'

' It's a helicopter ' answered the whispering voice.

'What is going on there?' demanded the boss, now truly apprehensive.

' The search team just landed a helicopter '

'A search team?' said the boss. 'What are they searching for?'

Still whispering, the young voice replied with a muffled giggle.... '**ME** '

YATALA DRIVE-IN

It was another good night at the Yatala drive-in, the weather was perfect and the movies were action packed. Scott Taylor had his smokin' hot ute out and looking great. We hadn't seen Rob Taylor for a while so it was good to have him join us in his XC Falcon. Congratulations to young Jadyr Carroll who now has his Learners and drove his own car under the watchful eye of Ollie who rode with him.

SUNDAY RUN TO MOOLOOLAH ON THE SUNSHINE COAST

We were only a small group, probably due to the overcast conditions, but we had a good run up the coast and a relaxed lunch at what used to be The Thunderbird Café. We found on arrival that it has changed hands and is now known as Kenny's. We made a stop on the way for a leisurely wander around the Caboolture markets, where we got some bargains in the fruit & veg and plants... It rained quite heavily on our way back which caused a bit of a problem for Ross and Peggy in their XY ute which had an issue with wipers, they didn't work. For me it was a toss up whether to take the Tbird or the XD, fortunately I made the right decision to take the XD as the electric windows on the Tbird were stuck halfway down which meant I would have got very wet.

L-R Ross and Peggy Austin, Anne-Marie, Ollie, Tony, Owen and Vicki, Tony's friend Bec was photographer

Saturday night dinner run to Yamanto. Our group was Mick, Dianne and Jared Dignam, Allison & Frank Fanning, Craig & Olivia, Jadyn, Lerissa and Nia, Richard Cunningham, and Anne-Marie on camera. As usual we took over the outside eating area, had a good feed of Chinese food and fish and chips and then headed off to Maccas for coffees and ice creams.

Classic Car Shows, Events & Swap Meets for 2014

--	--

Our Easter raffle was a great success again this year thanks to some very good helpers

Where have all the children gone??? Maybe the Easter bunny frightened them. Not surprising. Very scary!!

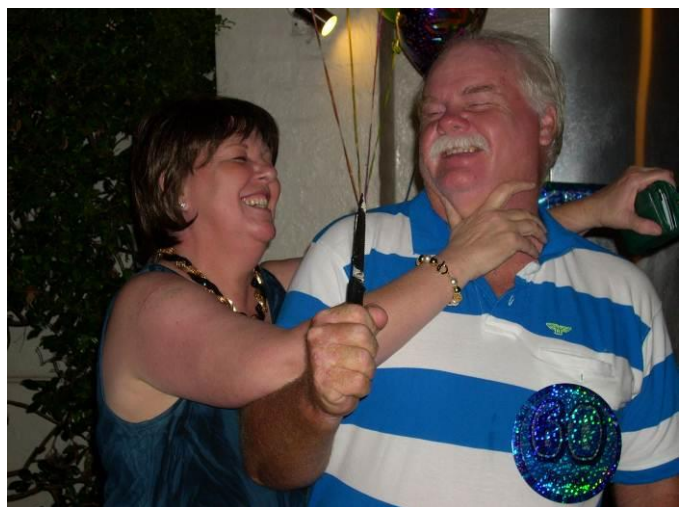

GUESS WHO TURNED 60

Gordon Inwood got a surprise when his family took him out to dinner.

Unknown to him, wife Kim had planned a surprise 60th for him.

Looking cool in those sexy sunnies Gordon

Kim and Gordon playing up – watch out for that knife!

DAVID HACK MEMORIAL DAY AT TOOWOOMBA

It was a very cold and windy day for early May, but Mal and his mate George, Ross & Peggy, Leon, Gary C, Ollie, Tony & Bec and Anne-Marie braved the early morning chill to drive up to Toowoomba for the annual car and aero display.

Despite the strong wind we managed to get the marquee up and tie it to Ollie's car to prevent it from blowing away.

Ross & Peggy and Bec & Tony all rugged up against the cold

SATURDAY NIGHT AT ARABICA

We had a very good attendance of members and guests for our run to the Arabica Café at Cleveland. We always enjoy going to Arabica and as usual we were looked after well with good food at good prices.

This was a members' reward night and \$15 was paid from club funds to each attending member.

'steering knobs.' (AKA) '**suicide knob**,' '**neckers knobs**.'

Remember '**Continental kits**?'
They were rear bumper extenders and spare tire covers that were supposed to make any car as cool as a Lincoln Continental.

When did we quit calling them '**emergency brakes**?

At some point 'parking brake' became the proper term.
But I miss the hint of drama that went with 'emergency brake.'

Did you ever wait at the street for your daddy to come home, so you could ride the '**running board**' up to the house?

For Sale

Holden BARINA TK HATCH -2006

We have a 'Smick little Barina' for sale, which my mother left when she went back to Scotland. She hardly ever drove it and was the only owner of the car. It is virtually brand new. The inside has been kept as new as my father kept it clean, inside and out. It is silver in colour.

It only has 15,000kms on the clock, is 3 door and is an Automatic.

It has been log book serviced and underwent its last service just prior to Xmas. It is currently has no roadworthy, but we will get that done before it is sold - we do not foresee any issues at all with the roadworthy. It will be sold unregistered.

If you would like to call **Garry or Angela on 0403134886** we will be happy to arrange a '**must see**' viewing.

This is a lovely little motor and for the asking price of \$9,950 ono.

If you are looking for a good quality small sporty car please call and more details will be given and we can arrange a viewing.

A Smick little car not to be missed.

BEAUDESERT TOWING

24/7 TOWING

Wayne

0459 096 048

Unwanted cars removed free of charge

For any vehicle removed for a club member, \$100 will be donated to the club.

Just tell Wayne you are a member of All Classics

1936 Stainless Steel Ford

In 1935, officials at Allegheny Ludlum Steel Division and the Ford Motor Company collaborated on an experiment that would become a legacy and a tribute to one of the most dynamic metals ever developed. Allegheny Ludlum, a pioneer producer of stainless steel, proposed the idea of creating a stainless steel car to Ford.

The idea took shape in the form of a 1936 Deluxe Sedan. That car became the centrepiece of a campaign to expose the public to the new metal and its many uses.

This is the 1936 Ford Tudor Sedan built for and owned by Allegheny Ludlum Steel. This is 1 of only 4 in existence and is the only one currently running & in road worthy condition.

The jaw-dropping beauty offered here is one of that tiny production run, recently restored by Lon Kruger, one of the world's best restorers. The car utilizes the standard 221/85 HP flathead mated to a 3-speed manual and working Columbia overdrive, and has been driven just 18 miles since its restoration.

The only privately owned example, it won 2 trophies at the Early V8 Club Auburn 2009 event, First Place at the 2009 Hershey AACA event and was nominated for the 2009 AACA Car of the Year. The car is in exceptional condition, with the interior and even the frame looking great. All 4 cars each had over 200,000 miles on them before they removed them from service.

These cars were built for Allegheny as promotional and marketing projects. The top salesmen each year were given the honour of being able to drive them for one year. The v-8 engine (max 85 hp) ran like a sewing machine and was surprisingly smooth and quiet.

The dies were ruined by stamping the stainless car parts, making these the last of these cars ever produced.

'FENDER SKIRTS'

A term I haven't heard in a long time, and thinking about 'fender skirts' started me thinking about other words that quietly disappear from our language with hardly a notice like **'curb feelers'**

The \$383.00 Paint Job

49 Cadillac - Completely Covered With 38,295 Pennies! Pennies Were Adhered One By One Using Silicone, They Added Over 200 Pounds To The Weight, The Entire Project Took 6 weeks, Pennies are American and include 1817 "Big Cent", Two Error Pennies And Four 1943 Steel Pennies
