I would like to take this opportunity to wish you all a very Merry Christmas and a safe and happy New Year.

See you all next year.

PS

Don't forget to RSVP before the 5th Dec for the Christmas Party at The Richlands Tavern.

Nanango waterhole Rocks

A few club members ventured out to Nanango for the Waterhole Rocks Rock n Roll weekend in October.

Angela & Garry, Tony, Mick and Dianne all got out to Nanango around lunch time in the heat and set up their vintage caravans then sat back to relax, unfortunately Steve and Tracey had F Truck trouble and had to go up later. Well 7 hours, a big bill and a new body control module they were finally on their way and arrived around dinner time.

Saturday morning we joined in the cruise up to the Bunya Mountains (none of us had been before) via Kingaroy it was a great cruise. We got to the Bunya Mountains where we had scones , cake and coffee and just sat back and enjoyed the scenery and the wallabies (they were everywhere) then we drove back to Nanango via Maidenwell.

On the Sunday morning they had a car and vintage caravan show, its amazing just how many great looking vintage vans are out there.

Mick and Dianne won a trophy for best car and caravan combo and Dianne's Thunderbird also won a trophy for best top ten (well deserved).

The whole weekend there is something to do theres rock n roll dancing the entire weekend with live bands , you don't have to join in but its great just to sit back and watch.

I would recommend this weekend to anyone one who enjoys rock n roll, classic cars and caravans its great just to walk around and talk to new people.

PS You don't need a vintage caravan or car to join in.

Had a good turnout with 7 cars for the dinner run to GJ's at Marsden.

As always at GJ's everyone enjoyed their meals.

The Wishing Well Victoria point

We had a beautiful but a little cool day for the run to Thompsons Beach at Victoria Piont where we had some morning tea and great conversations before we headed over to The Wishing Well for lunch. Before we went in we all had a walk around the great little gift and antique shop next door. The Wishing Well is a great little place and the meals were great.

Dinner Run Chefs Deck now The Well

We were all looking forward to our dinner run to the newly renovated Chefs Deck now The Well at Jacobs Well, unfortunately they had a few problems in the kitchen.

The company and the cars where worth the drive and we all enjoyed dessert back at maccas.

OFFICIAL CONVERSION CHART

HOW TO INTERPRET

ANTIQUE CAR ADS

IF IT SAYS:

IT REALLY MEANS:

Rare model.....	Nobody liked them when new either
Older restoration.....	Can't tell it's been restored
Needs engine work.....	It's been frozen for 30 years
Uses no oil.....	Just throws it out
No rust.....	Body and fenders missing
Rough.....	It's too bad to lie about
One owner.....	Never been able to sell
No time to complete.....	Can't find parts anywhere
Needs interior.....	Seats are gone
Rebuilt engine.....	Has new spark plugs
May run.....	But it never has
Low mileage.....	Third time around
Many new parts.....	Keeps breaking down
29 coats hand-rubbed paint....	Needed that much to cover rust
Clean.....	It sat out in the rain yesterday
Best offer.....	About what I expect to get
Always driven slowly.....	Won't go any faster
Prize winner.....	Hard luck trophy 3 times in a row
Stored 25 years.....	Under a tree
Real show stopper.....	Orange with purple fenders
Easy restoration.....	Parts will come off in your hand
Ready to show.....	Just washed it
Top good.....	Only leaks when it rains
Good investment.....	Can't depreciate any more

Steve now thinks he has a real show stopper.....

Australia day

You know your Australian if.....

- you believe that stubbies can be something you drink or wear.
- you pronounce Melbourne as Mel-bin, and brisbane as Briz-bin
- you believe the L in the word australia is optional
- you can translate, Dazza and Shazza played Acca Dacca on the way to Maccas
- you believe it makes perfect sense for a nation to decorate it's highways with large fibreglass bannas, prawns and sheep.
- you think Woolloomooloo is a perfectly reasonable name for a place.
- you believe it makes perfect sense for a country to have \$1 coin that's twice as big as its \$2 coin.
- you understand that wagga Wagga can be shortened to Wagga and Woy Woy cant be called Woy
- you believe the more you shorten someones name the more you like them.
- you say no worries quite often whether you realise it or not.
- Beetroot with your hamburger.....OF COURSE.
